

Chocolate Filled Strawberries

INGREDIENTS:

6 Medium Strawberries

2 oz. non-fat, plain Greek Yogurt

1 tsp. HealthWise Chocolate Protein Powder

½ tsp. Vanilla Extract

½ tsp. Cocoa Powder

DIRECTIONS:

Wash strawberries. Cut off stems & cut off pointy end of strawberries so they stand up on a serving plate. Hollow out each strawberry with a small spoon and set aside. Mix together yogurt, protein powder, vanilla extract and cocoa powder in a small bowl. Fill each strawberry with the mixture using a small spoon.

Let chill in refrigerator for 1 hour or until ready to serve. Recipe serves 2.
